Memories

As we turn the pages of our Memory Book we can remember when we first started to school. As we think back it seems as if it were only yesterday when Miss Dress greeted 22 eager children.

Of the class of '58 only Janet, Jeanne, Karen, Bob, Bill, Jerry, Larry Kingery, and Bruce started. Karlton joined us later in first grade. Some of the boys got to know Mr. Trafton better that year when Jerry, Larry K., and Bill visited his office. They made the solemn visit for running on the grass.

The year passed quickly and soon we entered second grade. Bill always was a lady's man but in second grade he really went to town. First of all he won the heart of Miss Skaggs, and then Jeanne was his victim. He even went so far as to kiss Jeanne for a stick of gum and then at the Valentine's Party gave her all the prizes he won.

We welcomed Gary Garton and Carol Sue Smith to our class in third grade. The boys got into the habit of eating too fast and Miss Tussing made them stay in every noon for a week and eat slower.

In fourth grade, with Miss Johnson as our teacher, the boys seemed to enjoy playing in the snow and water for they had to hang their jeans on the radiators to dry.

The window fell in when we were in the fifth grade. That was also the year Miss Britt gave "F's" for not having arithmetic assignments done and one day Jeanne felt so badly about her "F" that she cried until Miss Britt gave her a "D".

Janice and Donna joined our class in the sixth grade. Mrs. Benson was our teacher. The girls started to think that maybe the boys weren't so mean after all and vice versa and a few romances started blossoming out. Jerry Raper and Carol Sue's was the most noticeable.

At last we were growing up! At least we thought so when we entered Junior High. Mr. Bressler was our Jr. High Principal. That was the year bracelets were the fad and Larry Kingery got himself one that had Jeanne's name on the back of it and gave it to her. But Jeanne switched Larrys and started liking Larry Sassman so Larry K., always thinking, sold Larry S. his bracelet for fifty cents.

In eighth grade some of the boys became interested in hobbies. Gary Garton's particular interest was model planes. He brought one to school one day and was showing Mr. Bressler how well it could fly. It got out of control and Mr. Bressler was hit on the back of the head with it. That was also the year Jerry tripped Carole Jean and sat on her.

The big day finally arrived when we entered high school. We started off our freshman year right by winning first on our float. Bruce was initiated many times! One time he remembers very well was when he got hung up on a hook by his belt.

The sophomore year was Bruce's year too. On Halloween he was busy knocking over ash cans when Mr. Shinkle shot at him with blanks in the gun for knocking over his ash can.

Our junior year was our busiest year so far. First we sold magazines, then got our rings, and presented the play, "Hessie of the Hills." Our prom, "Oriental Gardens," was our big event of the spring.

Now came the climax of our days at Marathon High--our senior year. It seemed to be a year of parties. First we always had to have lunch after working on our float; then Karlton had all of us out to his house to celebrate his birthday. We began to feel more like seniors when we had our pictures taken and when we were interviewed over KAYL. The school year came to an end with the Play, Baccalaureate, and Commencement. As we prepare to leave Marathon High School we hope to live up to our motto: "Quality, not Quantity."

An Oriental Garden was the setting for the 1957 Junior-Senior Banquet which was held on May 11.

The Fifty-Eighters in '78

As we continue in our Memory Book
Let us stop and take a look
And see what happened to the grads
After they grew up from lassies and lads.

Janet Barber is the first on the list.
We remember how she thought she'd be missed
By her true love in bright shining armour--
But she wasn't, she is the wife of a farmer.

Karlton was such a quiet guy
Until rock and roll blew him sky high,
He bought a guitar and started to shake
"Decca" called and gave him a break.

Sputnik went up in Gary's senior year.
Now he's whirling around in the atmosphere.
He was the first speciman to go up
Second only to the little pup.

Robert Gee was his name, better known as Bob.
I'm glad to report that a bank he didn't rob.
He started to farm and look after the soil
But he got lucky and struck lots of oil.

William Gee was the lady's man
He never scrubbed a dish or pan.
Now he's alone on a desolate isle
And seldom grins his big-toothed smile.

Janice had a diamond sparkling
And with Rog she did all her parking.
Her ambition was once to fly a plane
But she crashed and is now camping in Maine.

Larry K. had the reddest hair
And for nonsense he did not care,
Now he's with the Alaskan Branch
Growing chickens on a ranch.

Donna Lundberg had long black hair
She never had a worry or seldom a care.
But now Donna is queen of the ball
She likes them all--slim, fat, or tall.

Jeanne was the girl with the light brown hair
And most of the boys thought that she was so fair.
Now she goes to the garden with rakes and spades
Because she is one of Marathon's old maids.

Jerry Raper always was rather mean
He tried to do things that couldn't be seen.
It's supper time now when he hears the bell ring
For he is a boarder in a place called Sing Sing.

CITIZEN'S STATE BANK, "Always Pleased To Serve You."

Larry owned a Ford, colored black.
He often stole watermelons by the sack.
Now he plays with his kids on the fresh green grass
And teaches the gospel from a pulpit of brass.

Karen was both bright and tall
She really liked to play basketball.
She was taken to New York by her loving pop
Now she is walking the beat as a cop.

Bruce is the boy with the shy, bothered look.
He liked to hunt by the shady brook.
Now he teaches the Golden Rule
For he's the Principal of his old school.

That ends the story of the grads of '58.
We think their lives turned out just great.
We hope you enjoyed these little rhymes
Which proved they had some grand ole times.

Class Will

Janet Barber requests that the Navy or Marines let loose one of her boys.

Karlton Fullenworth wills his blush to Ronnie Bjorkland.

Gary Garton wills his height to Gary Rosene.

Bill Gee wills his wolf techniques to Bob McGowan.

Bob Gee wills his hair to Mr. Kingery because he has caused Mr. Kingery to pull out most of his own.

After much deliberation Janice Janssen wills nothing to no one because she liked everything she has.

Larry Kingery wills his Model "A" to Kirk so he can give Sheryl a ride once a week.

Donna Lundberg wills her ability to keep quiet to Alice Mae.

Jeanne Raper wills her driving ability (?) to Mr. Hazelhoff so he can use it in his driver's training class.

Jerry Raper wills his ability to keep in trouble to Evelyn Bennett.

Larry Sassman wills his football ability to Ronnie Wood.

Karen Waldstein wills her ability to go steady to Marcliff so she won't have to write to the Lonely Hearts Club.

Bruce Wilson wills cell No. 45730 in this prison to Keith, just to keep it in the family.

On the way they stop at a tourist home where Bryan picks up a most unusual and spine-tingling ghost. The tourist home is run by Miss Delaney, who always keeps a spare room ready for traveling spirits. While Bryan is busy chasing ghosts, Aunt Hilda is busy chasing another tourist to whom she has taken a fancy. Bryan, hearing a woman's scream, is first to blunder in and runs right up against the ghost nobody else has seen. There's only one thing to do! They've got to solve the mystery so they may resume their vacation. This is done when Aunt Hilda brings things to a "bang up" finish.

THE CAST

Mrs. Denny, the mother . . . . . Judy Rassler

The Denny's are a typical American family, which includes Dad, Mother, Dick, and Babs. The two children, both teen-agers, are very much interested in contests, while Dad, who's had hard times at the office, won't stand for anything which interferes with his comfort at home. Mother is a mild-mannered person, whose chief purpose in life is to keep her family happy. The most sophisticated member of the family is Grace Denny, an aunt. The very opposite member is Dad's poetic brother, Lee. The family is very surprised when they hear Lee has a wife, Dora. Dad, unknown to the family, ties for first place in the Happy Hound Dog Biscuit contest and wins a Russian hound dog instead of the much needed car.

Due to the flu epidemic which was going around while the play was being rehearsed, it was necessary to have understudies. They were as follows: Donna Buse, Don Nelson, Mary McLaughlin, Mary Meyer, Shirley Ralph, Bernadine Grow, Clarice Bjork, Ronnie Marietta, and Larry Pritchard.

MARATHON 18 -- NEWELL 6

Marathon started its 1957 football season by defeating Newell 18-6. Late in the first quarter Bill Gee scored Marathon's first touchdown from the three-yard line. Pritchard scored Marathon's second touchdown in the third quarter, and Sassman ran sixty-seven yards for Marathon's last touchdown. Newell scored their only touchdown late in the fourth quarter.

MARATHON 7 -- LAURENS 14

The Minutemen lost a very close one to Laurens, 14 to 7. The Marathons score in the second quarter by a pass from Kingery to Nation for fifteen yards. Larry Sassman made the conversion by a pass from Kingery. This tied the game 7 to 7. Both teams were scoreless in the third quarter. Then in the last forty seconds of the game Laurens caught a long pass, and after a couple of plays went over for the final touchdown to win the game.

MARATHON 46 -- TERRIL 6

The Marathon Minutemen trounced Terril, 46 to 6. Bill Gee scored Marathon's first touchdown early in the first quarter. Terril came back early in the second quarter to tie the game. Then late in the second quarter Larry Pritchard plunged over from the five-yard line to make the half time score 12 to 6. The second half was all Marathon's with Sassman making four touchdowns and Gee one more. Two of Sassman's touchdowns were made on passes from Kingery and Marietta.

MARATHON 13 -- SIOUX RAPIDS 26

The Minutemen lost their second conference game to Sioux Rapids 26 to 13. Sioux Rapids scored three times in the first quarter to take an early lead. The half time score was 20 to 0. Marathon got their first touchdown in the third quarter when Kingery passed to Sassman for eleven yards. Sassman ran fifteen yards for Marathon's final touchdown to make the score 26-13

MARATHON 0 -- GRAETTINGER 46

The Minutemen ran into some bad luck with the undefeated Graettinger team. Larry Sassman was injured in the second quarter along with Jerry Raper in the third, which hurt our offensive and defensive playing.

MARATHON 32 -- MALLARD 6

Marathon tallied for their homecoming game by defeating Mallard 32 to 6. Sassman scored three times in the first half by passes from Kingery. Kingery ran a bootleg play around right end for eleven yards and Marathon's fourth touchdown in the first half. The half time score was 25-0. Larry Sassman ran for his fourth touchdown late in the third quarter. Mallard made their only touchdown in the fourth quarter, making the final score 32-6.

THIS ANNUAL BELONGS TO

Dear Alice,

Well school about over, just one week after this and will be out. We've sure had fun this year and I hope we can have just as much fun in the future. Remember the morning I was getting beat up + I ask you if I could come and sleep with you. Remembe the day we almost froze going down after the mail just to see _____! But he didn't show up.

Remember the time I came over to practice throwing and catching the soft-ball, but instead we went up in your room and talked about boys. We also talk about something that was in a book.

I wish I could write straight. First I write up and then I write down.

Just think of all the nights we've spent together when Rose Belle would leave us. And the night you couldn't understand why Bob L. was so made at me.

Good Luck in your nexted three years of school and make sure you take good care of the baby when I leave here nexted year.

As always,

Bernadine
